# TOWN WARRANT

## THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Peterborough in the County of Hillsborough, in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday the twelfth day of March next at eight of the clock in the forenoon (Polls close at 6 P. M. unless otherwise voted: Business Meeting begins at 1:30 P. M. in the afternoon) to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing, and for the election of Delegates at Large, Alternate Delegates at Large, and Delegates and Alternate Delegates to the National Conventions; and to vote to see if beano shall be legalized in said Town; and to vote to see if the Planning Board shall be instructed to study and to write a proposed zoning ordinance for consideration by the Town; and to vote to see if the water system shall be fluoridated.

Article 2. To raise and appropriate such sums of money as may be necessary for Town Officers' Salaries, Expenses and Election and Registration, District Court, Town House, Police Department, Fire Department, Civilian Defense, Care of Trees, Health Department, Town Dump, Vital Statistics, for laying out and repairing of the Highways, Street Lighting, Old Age Assistance and Town Poor, Memorial Day, Adams Playground and Pool, Putnam Park, Town Library, Town Water Charge, Monadnock Region, Town Planning Board, and for any other charge arising within the Town.

Article 3. To see what sums of money the Town will vote to raise and appropriate toward paying the Town Debt and Interest.

Article 4. To hear the reports of Agents, Auditors and Committees or Officers heretofore chosen, and to pass any vote relating thereto.

Article 5. To see if the Town will vote to accept legacies and gifts to the Town in trust or otherwise by any individual or individuals.

Article 6. To see if the Town will vote to raise and appropriate the sum of One Thousand, Four Hundred and Forty-Five Dollars and Eighty-Seven Cents (\$1,445.87), provided the state gives Nine Thousand, Six Hundred and Thirty-Nine Dollars and Ten Cents (\$9,639.10), for the construction of Class IV and V Highways.

Article 7. To see if the Town will vote to authorize the Selectmen to purchase a new Police Cruiser and exchange the present one and raise and appropriate a sum of money to pay for same, or take any other action relating thereto.

Article 8. To see what sum of money the Town will vote to raise and appropriate and place in a Capital Reserve Fund for the rebuilding of the so-called Noone's Bridge, or take any other action relating thereto.

Article 9. To see what sum of money the Town will vote to raise and appropriate to prune trees and shrubs in Putnam Park, or take any other action relating thereto.

Article 10. To see what sum of money the Town will vote to raise and appropriate to purchase highway equipment, or take any other action relating thereto.

Article 11. To see if the Town will vote to appropriate the sum of Two Thousand, Five Hundred and Eighty Dollars (\$2,580.00) for repairs of the Town Clock, or take any other action relating thereto.

Article 12. To see if the Town will vote to re-appropriate the sum of Five Hundred Dollars (\$500.00) for the construction of new voting booths, or take any other action relating thereto.

Article 13. To see what sum of money the Town will vote to raise and appropriate to purchase a Fire Department rescue kit, or take any other action relating thereto.

Article 14. To see what sum of money the Town will vote to raise and appropriate for a capital reserve fund for the construction of a fire station and a Highway Department building, or take any other action relating thereto.

Article 15. To see if the Town will vote to re-appropriate the sum of Seven Hundred and Sixty-One Dollars and Twenty Cents (\$761.20) for the purchase of equipment for Civil Defense, or take any other action relating thereto.

Article 16. To see if the Town will vote to choose a new site for the Town garage and Town dump, or take any other action relating thereto, including appropriation or authorization for borrowing.

Article 17. To see if the Town will vote to raise and appropriate the sum of Three Thousand, Four Hundred Dollars (\$3,400.00) to purchase the land now under option with Lloyd Vose for the purpose of a Lagoon Site, or take any other action relating thereto.

Article 18. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) to be used by the Planning Board in the preparation of a proposed zoning ordinance, in the event that the response to the question on the referendum contained on the ballot relating to the study of zoning is in the affirmative, or take any other action relating thereto.

Article 19. To see what sum of money the Town will vote to authorize the Water Commissioners to withdraw from the Water Department Capital Reserve for the purpose of replacing water mains in the area of Kaufmann Drive, and doing any other work relating to the correction of problems of cleanness and pressure of water in that area, or take any other action relating thereto.

Article 20. To see if the Town will vote to adopt the following ordinances:

- (a) Signs
- (b) Pollution
- (c) Fencing of Pits, etc.
- (d) Off-street Parking
- (e) Building Permits and Building Inspector
- (f) Penalties

or take other action relating thereto.

Article 21. To see if the Town will vote to request the Planning Board to amend the regulations governing the subdivision of land so as to require the subdivider to complete all streets in accordance with specifications of the Town of Peterborough, or take any other action relating thereto.

Article 22. To see what sum of money the Town will vote to raise and appropriate to acquire land, options, or easements, and to construct facilities to provide the Con-Val School District with sewerage disposal services, and to authorize the Selectmen to enter into agreements with parties affected thereby, and customers related thereto, or to authorize the Selectmen to raise money therefore by the issuance of notes and bonds upon the credit of the Town, and to see whether the Town will authorize the Selectmen to determine the terms and conditions upon which notes or bonds shall be issued, including their sale, and the time and place of payment of principal and interest, in accordance with the provisions of RSA 33 and the amendments thereto, or take any other action relating thereto.

Article 23. To see if the Town will vote to supplant the Adams Playground Committee with a Recreation Committee to consist of 5 members to be elected for terms of 3 years, whose first members shall be the then members of the Adams Playground Committee serving out their elected terms or take any other action in relation thereto.

Article 24. To see what sum of money the Town will vote to authorize the Water Commissioners to withdraw from the Water Department capital reserve for the purpose of purchase and installation of equipment for fluoridation of water, in the event that the response to the question on the referendum contained on the ballot relating thereto is in the affirmative, or take any other action relating thereto.

Article 25. To see if the Town will vote to accept from the School Board of the School District of Peterborough a deed conveying to the Town as a gift land on the western side of Elm Street and the southern side of the Nubanusit River that was acquired by the said District by deeds of Goyette, Barry and Low, or take any other action relating thereto.

Article 26. To see what sum of money the Town will vote to raise and appropriate for the purchase of a Town Tax Map, or take any other action relating thereto.

Article 27. To see if the Town will vote to re-appropriate the sum of Twenty-Nine Hundred and Forty-One Dollars and Eighty-Three Cents (\$2,941.83) for the continuation of the study of sewerage and for the payment of interest on sewer notes, or take any other action relating thereto.

Article 28. To see if the Town will vote to accept from Albert H. Daloz a deed conveying approximately fifteen acres of land situate in that part of Peterborough known as North Peterborough, or take any other action relating thereto.

Article 29. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deed.

Article 30. To see what sum of money the Town will vote to authorize the Selectmen and the Town Treasurer to borrow in anticipation of collection of taxes for the current Municipal Year, and to issue in the name and on the credit of the Town, negotiable notes therefore, said notes to be paid in the current Municipal Year from taxes collected during the current Municipal Year.

Article 31. To transact any other business that may legally come before this meeting.

Given under our hands and seal this twenty-sixth day of February, in the year of our Lord Nineteen Hundred Sixty-Eight.

John A. Clements  
 Louis Teixeira  
 Catharine B. Sage  
 Selectmen of Peterborough, N. H.

A True Copy of the Warrant-Attest:

Article 14. Town Tax Map — \$6,000. for step one of Town Tax Map. Motion Passed.

Article 15. Bailey Brook Project for engineering study — money from Water Dept. Capital Reserve Fund if feasible. Motion Passed.

Article 16. Civil Defense Special — purchase radio, siren, generator \$1200. Motion Passed.

Article 17. Blueberry Lane — surfacing \$2,000. Motion Passed.

Article 18. Noone Bridge Capital Reserve — \$5,000. Motion Passed.

Article 19. PIDC Development — surfacing. \$5,000. Motion Passed.

Article 20. Town Dump Lease — new lease. Motion Passed.

Article 21. Repair Library Roof — \$3,500. Motion Passed.

Article 22. Middle Hancock Road. — prevent widening or cutting down trees. Motion Lost.

Article 23. Changing Water Charter to original status. Motion Lost.

Article 24. Electrical Board System in Town House — \$350. Motion Passed.

Article 25. Fire Station Site — Planning Board and Fire Dept. submit a report 1968 Annual Town Meeting. \$1,500. for study. Motion Passed.

Article 26. Bridge 127/133 — \$8,500. Town's Share. Motion Passed.

Article 27. Motion withdrawn by Selectmen.

Article 28. Hunt Road — \$3,000. to reconstruct drainage. Motion Passed.

Article 29. Sewer Treatment Facilities — \$1,000. purchase of additional land. Motion Passed.

Article 30. Water Study Committee — revise present rules and regulations. Motion Passed.

Article 31. Street Lights — as presented — \$108. Motion Passed.

Article 32. Street Names — as presented. Motion Passed.

Article 33. Sewer Treatment Facilities — \$70,000. final plans and specifications for construction of sewerage collection through serial notes or bonds. Motion Passed.

Article 34. Repair Fire Station Floor — \$515. Motion Passed.

Article 35. Conservation Committee — \$1,000. appropriated to accumulate for the purpose of the Commission. Motion Passed.

Article 36. Voting Booths — Reconstruction new booths. \$500. Motion Passed.

Article 37. Dispose of Real Estate acquired by Tax Collector's Deed. Motion Passed.

Article 38. Borrowing in anticipation of Taxes. Motion Passed.

Article 39. Committee Study acoustical ills Town House. Motion Passed. Town Manager study. — Motion Lost. Estimated Revenues. Motion Passed.

## REPORT OF THE SELECTMEN

As we started our 1967 town year, one item of keen interest was the study and subsequent report of the Town Government Modernization and Improvement Committee. The report was accepted by the Town Meeting in the belief that when it was augmented by the Selectmen that it would improve our traditional form of New England Town Meeting — Selectmen government which has served the citizens well for over 300 years. It therefore seems proper to summarize the actions taken on this report.

1. After Town Meeting changed from elective to appointed Highway Agent, we searched for, found, and hired Mr. Harry Reed, former Superintendent of the Cohasset, Massachusetts Water Department as Water Superintendent on May 31st. He was later appointed as Highway Agent in mid-September when elected Road Agent, Robert Martin resigned to go into his own business. Mr. Reed came to us with an accumulation of 35 years of past experience in Highway and Water construction work.

2. We appointed Mrs. Sage as clerk of our meetings to keep a full public record of them. This was also in compliance with a new Legislative Statute known as the "right to know" law.

3. We supported through representatives HB 180 to modernize the controls over accounts and records of municipal water systems.

4. We continued our efforts to modernize the town book-keeping system and we hope during the ensuing year that we will be able to complete the project of up-grading our Water Department Billing system.

5. We established a central purchasing system for departments and a complete up-to-date inventory was taken of the Highway and Water Departments.

6. Steps have been taken to arrange for an equipment rental account through which each town service shall be charged for its full share for the use of town machines and their operators.

7. Strong steps were taken in regard to Subdivision Ordinance enforcement.

8. The initial steps were taken to provide a town tax map, the first of its kind in Peterborough. The firm of John O'Donnell Associates of Portland, Maine were selected out of three interviewed and a \$6,000. contract was signed for the first of three installments. Unfortunately, the aerial photography was not taken until the 30th of May after a prolonged wet spring, making the details in the photographs somewhat unacceptable to us and we are therefore requiring that the photography be re-taken this spring and that the unexpended balance of \$1,500. be added to this year's second installment making it a total of \$7,500. By undergoing this effort, we have answered the problem of identifying all lots to aid Fire, Police and Water Departments.

### SEWER SYSTEM

We accepted, with regret, the resignation of Town Health Officer, Ted Gunn who as a Registered Professional Engineer has served his town well for many years. We retained the services of the Consulting firm of Camp, Dresser and McKee early in the year and signed a \$70,000. contract with them to complete detailed plans and specifications ready for bid pursuant to town meeting vote. This was completed by the end of the year and now with the help of Chairman, Dan Eneguess, his Sewer Committee should be able to make proposals to the town for rates and rules to govern the new system when Federal Aid becomes available for construction. (It has been presently unavailable due to the financial pressures due to the Viet Nam war.)

A proposal will be offered at Town Meeting to provide sewer services for the new Con-Val school system, however, at this writing, details of the proposal are unavailable.

Options were purchased from Lloyd Vose on 18 acres of land for the lagoon site for the sewer system adjacent to the land already purchased from PIDC last year. \$3,400. is due to execute the option this year.

### TAXES

Once again increases in assessed valuation during the year and interest and dividend taxes made it possible for us to hold the line on our tax rate of \$32.50 per thousand based on a 66% assessment ratio. Also a considerable amount of re-assessing was performed on older properties to bring them in line with current real estate sale prices.

### RECREATION

With the advent of a new Recreation Director, guide lines were set up and approved by the Selectmen for the use of the Town House for a Recreation Center. A detailed report of their activities is contained elsewhere in this Annual Report. To improve the facilities for this purpose, renovation was made to the heating system and an access door installed in the kitchen from the Lower Town Hall.

## CIVIL DEFENSE

An extremely active Civil Defense organization has been formulated this year under the able leadership of Carl Wood. A complete Emergency Operation Center has been set up in the basement of the Historical Building fully equipped with radios and telephone communication, much of which was donated by Mr. Wood and some purchased with last year's special appropriation. Extensive shelter surveys have been conducted and one of the "first in the state" detailed EOC training exercises conducted. In addition to this an Industrial Preparedness Training Session was held in cooperation with area industries.

## HIGHWAY DEPARTMENT

An extremely difficult winter season was experienced during the spring of the year leaving only \$3,000. remaining to take care of an even worse November and December and therefore was responsible for the overdraft in this account. The Annual Town Spring Cleanup was held on May 6 and has now graduated to a state-wide affair. Much more emphasis needs to be placed on this in future years and many more volunteers are needed. The amount of debris that collects on our road-sides is certainly discouraging. On the other hand, it is encouraging to know that in one day much can be done if enough help is available.

New Highway construction included Pine Ridge Road, Blueberry Lane and the completion of the TRA work on the Middle Hancock Road. We have been extremely pleased with Mr. Reed's performance and while the difficult winter and equipment problems made snow removal a little tight a few times this winter, we are very encouraged with the corrective action and future programs which Mr. Reed has outlined to us.

## CON-VAL BUDGET COMMITTEE

In accordance with the vote of the Con-Val School District a new Budget Committee was organized on May 17th composed of the Chairman of the Board of Selectmen of the 9 towns. This group has been meeting during the year to advise Con-Val Board and the voters on town fiscal policy as it affects the School District.

## WAGE AND FRINGE BENEFIT POLICY

A cooperative effort between the Budget Committee and the Selectmen was conducted to formulate the first Wage and Fringe Benefit Policy for the town. We feel this was a very good start on a difficult subject and of course will be subject to revision as the years pass. A complete resume of this policy is contained in this Annual Report.

## LAND SUB-DIVISION

The Selectmen were called upon numerous times by the Planning Board in our role as enforcement agency of the Ordinances. Active Sub-Divisions on which we worked were: Reynolds

Road, Shadow Lane apartments, Blueberry Lane, PIDC, Reynolds development off Prospect Street and Homer Paradise' Sub-Division. As mentioned previously, a general firming up of our enforcement activities has been evident and will continue as precedents are established.

### HIGHWAY AND FIRE STATION LOCATION

We are in agreement with the Planning Board recommendation that space requirements for the Fire Department indicates that a move to the present Highway facilities would be beneficial. A subsequent move of the highway garage to a new location then becomes inevitable.

### RABIES

An epidemic of rabies overspread the North Eastern U. S. and moved into Southern New Hampshire during the summer. In response to a mandatory Legislative Act, Doctors' Tenney, Fritz and Coombs set up a Vaccination Center in the Town Garage on July 30th to protect our canines.

### TREES

An extensive program of tree removal and planting was carried out by retiring Tree Warden Ben Rice whose services we also gratefully acknowledge. He informed us during the year that a new State Regulation bans the use of DDT within 1,000 feet of state waters and we are now using a new "Mexichlor" spray. We have assigned the duties of Tree Warden to Mr. Reed.

### CONSERVATION COMMISSION

The \$1,000. appropriation for land acquisition was carried forward this year and will be held for that purpose. You will be asked to accept for the Town, during Town Meeting, a generous gift of land from Mr. Albert Daloz of Hancock which abuts our land and swamp woods area. We would like to express our thanks to Mr. Daloz for his generosity and will ask the Conservation Commission to manage the property.

### TOWN DUMP

We asked and received your vote of confidence last year to investigate the location of a new dump site to present to you this year. This, as you will all remember, was caused primarily by the fact that our dump is in violation of the Federal Highway Beautification Act. We have learned from the State Highway Department that they will extend us a temporary, one year license, to resolve our problems. In addition to this, its closeness to the Con-Val School Site will be troublesome. Several sites have been mentioned this year; some of them have been looked over in detail. Mr. and Mrs. Starkweather's land is now on the market and our agreement with them runs out in May; however, they have expressed a willingness to let us remain for another year. Motions will be introduced regarding this at Town Meeting.

## BUDGET OF THE TOWN OF PETERBOROUGH, N. H.

Sources of Revenue	Estimated Revenue Previous Year 1967	Actual Revenue Previous Year 1967	Estimated Revenue Ensuing Year 1968
Estimates of Revenue and Expenditures for the Ensuing Year January 1, 1968 to December 31, 1968. Compared with Estimated and Actual Revenue, Appropriations and Expenditures of the Previous Year January 1, 1967 to December 31, 1967.

Total Expenditures	\$269,719 23	\$274,679 05	\$283,122 35

## BUDGET COMMITTEE REPORT, 1968

The formation of the Contoocook Valley Co-operative School District meant that, for the first time in history, your Budget Committee was concerned solely with the Town's Operating Budget. The confusion which resulted among the citizens because of this change in responsibility will diminish in future years as an effective Con-Val Budget Committee is evolved and as it attains the support of the citizens. To assist in this evolution, we suggest that the Selectmen delegate some of their responsibilities to a qualified person of their own choice. It is also proposed that this person be familiar with budget analysis, and that his duties be such as to relieve the Selectmen of the burden of additional meetings, yet to keep them effectively informed. Although our Committee was not directly involved with the school budget, its potential effect on the tax rate was constantly in our minds, and we gave the Town Budget an exceptionally close scrutiny.

Our Committee is satisfied with the recently completed Wage and Fringe Benefit Policy, but we realize that certain inequities still exist in actuality. We pledge our support for the continuing refinement of this policy, so that it will prove both fair and workable. We wish to state, however, that, regardless of this new policy, a town employee's remuneration should reflect his own abilities and not be influenced by either public opinion or the salary of any other employee.

The Budget Committee supports the Selectmen's Article requesting that the Planning Board revise the wording and meaning of the Land Sub-Division Regulations. We believe that, with the suggested revisions, and true cost of developing land will be known, and its proper allocation made. Our Committee favors the defining of actual costs, regardless of the activity, and it is our aim that the Town's Budget reflect this goal.

## TOWN OPERATING BUDGET

The Budget Committee approves a base budget of \$230,224.35. This represents an increase of \$16,745.12 over last year's budget. The majority of the rise in appropriations is caused by the transferring of the Recreational Director's expense from a Special Article into the Operating Budget.

**TOWN OFFICERS' SALARIES AND EXPENSES** — The Budget Committee approves a budget of \$20,000. It is felt that a reduction in this area might be feasible next year, after the full effects of the Wage and Fringe Benefit Policy are known.

**DISTRICT COURT** — Increased \$3,570 over last year's appropriation. The primary reason for the increase is a revision in the New Hampshire Laws regarding the salaries of the court officials. The appropriation also contains \$600 for a new town probation officer.

**TOWN HOUSE** — Our Committee recommends a budget of \$7,500. Further savings could have been realized, except for the rise in heating expense attributable to the increased recreational activities. It is strongly suggested that any future capital expenses be on a contract basis to eliminate the embarrassment of overdrafts, such as occurred this year.

**POLICE DEPARTMENT** — The proposed budget is approved. The increases reflect the higher wages and fringe benefits. Our Committee recommends that the Chief's salary be raised to \$7,200. We have noted the personnel turnover in the department, and we trust that, with the new Wage and Fringe Benefit Policy, this situation will be self-correcting.

**FIRE DEPARTMENT** — We feel that the proposed expenditures are justified.

**HIGHWAY DEPARTMENT** — This department's expenses increase each year due to higher salaries, operating costs, and increased miles of town roads. The department has initiated some efficiency procedures, but a constant watch is needed over this important segment of town expenses. Our Committee lauds the decision of the Selectmen to charge all other departments for their use of the Highway Department's men and equipment.

**PLAYGROUND AND POOL** — This year's appropriation is \$19,000. It is hoped that additional reductions will be possible in future years due to the presence of a full time Director.

**PUTNAM PARK** — This appropriation is almost identical to last year's approved budget.

**LIBRARY** — Up \$1,500 due to increased salaries, longer hours and the proposed purchase of new equipment and materials.

**MONADNOCK REGION** — Our Committee approves of the continuing support of this activity. In our opinion, the town is adequately compensated by the additional tourism.

**TOWN DEBT AND INTEREST** — Up \$500 to reflect increased borrowing costs.

**CLASS V HIGHWAYS** — The appropriation of \$1,445.87 is approved. The monies will be spent to repair Old Street Road at the intersection of Cheney Avenue.

### TOWN SPECIAL ARTICLES

The number of proposed special articles continues to grow each year, and our Committee has spent an increasing percentage of its time on these requests.

**PUTNAM PARK** — The \$700 expense for pruning seems justified in order to preserve the beauty of the town.

**PLANNING BOARD** — We approve of this expenditure, provided the referendum vote is in favor of reconsidering zoning.

VOSE LAND OPTION — The expenditure is not approved for this year. We recommend that this land be held under option pending the acceptance of a definite Sewerage Plan.

TOWN CLOCK REPAIRS — Our Committee recommends that this year's income from the Albert W. Noone Trust be utilized to help defray this expense.

POLICE CRUISER — The appropriation is approved. It is once again recommended that this expense be included in the department's operating budget.

HIGHWAY EQUIPMENT — We support an appropriation of \$16,600 maximum, or a lesser amount sufficient to purchase the proposed capital equipment.

TAX MAP — This continuing appropriation is approved.

NOONE BRIDGE — The addition of \$5,000 to the reserve fund for the reconstruction of this bridge is appraised.

FIRE AND HIGHWAY BUILDING CAPITAL RESERVE — In the absence of detailed information as to the type of building, its location and total cost, our Committee has no alternative but to reject this proposed expenditure.

WATER DEPARTMENT PIPE REPLACEMENT — The expenditure of these monies from the Water Department Capital Reserve Fund is approved.

FLUORIDATION EQUIPMENT — If the town's vote is favorable, we suggest that this money be taken from the Water Department Capital Reserve Fund.

FIRE DEPARTMENT HYDRAULIC RESCUE EQUIPMENT — The Budget Committee supports this article.

TOWN DUMP LAND — As of the date of this report, the Selectmen were considering the submission of an article authorizing them to select and purchase a site for the proposed new town dump. We feel that this article would constitute an unreasonable delegation of authority and our Committee is opposed to any such article giving the Selectmen this authority without adequate public hearings and a vote of the town.

#### RE-APPROPRIATIONS

The Budget Committee supports the re-appropriated articles dealing with Civil Defense, Voting Booths and the Sewer Study totalling \$4,203.03.

Respectfully Submitted,

Robert W. Ray, Chairman

Joseph Tansey

Robert B. Duhaime

## WATER DEPARTMENT REPORT

During the course of the year a revised rate schedule and regulation book was prepared by the Water Rate Study Committee and ratified by the Town Meeting. These changes reflected improvements necessary in our department and increased rates to pay for the North Peterborough well complex.

The 1967 Town Meeting instructed us to review the diversion of Bailey Brook into Cunningham Pond to replenish this drought strained reserve. Earlier in the year we retained Wesley Hayes of Concord, N. H., Registered Professional Engineer, to make this survey and together with Engineer Sal Grasso of Milford, they issued a negative report concerning the feasibility of this plan. Their full report is available in the Town Office for review.

During the year several changes were made in our meter readers due to the hiring difficulties encountered. During mid year, Mr. Reed, our Water Superintendent, hired Mr. Nelson Stevens for this purpose and considerable improvement was made in this system, with more contemplated in 1968.

When Mr. Reed was hired, complete inventories were taken, a complete review and installation scheduled of outside reading meters started, and a hydrant flushing out program carried out with the Fire Department. Also the department recommended a replacement of 50 defective and aged hydrants. This will be undertaken on a priority basis. Estimates were also provided to the Con-Val School District of the cost of providing water service to the new school on the Vose land.

A hearing was held during the winter to review the critical rusty water and pressure problem in the high service area, particularly along Kaufmann Drive in response to a petition from residents in that area. A proposal will be offered to the Town Meeting for their approval to replace pipes and take other steps necessary to correct this situation.

Finally the Water Department obtained estimates for fluorination equipment in the event that the referendum on the ballot to fluoridate the Town Water supply is passed. The only position which we wish to take at this time is to emphasize that we, as Water Commissioners, do not intend to influence this vote pro or con. If passed, however, we will do our best to abide by the vote of the town in installing the most accurate equipment available and operate it in strict accordance with public health laws.

Peterborough takes justifiable pride in having the "first tax-supported free library in the world", but it should be noted that taxes provide less than one half of the support of the library. In the maintenance fund, income from trusts has generally each year been larger than the town appropriation. Book fund income is derived entirely from trust funds, gifts, and fines. Moreover, special gifts such as the listening room a few years ago, and the projector this year, provide additional services at no cost to the taxpayer. The trustees are grateful for the generosity of the library's many friends.

### PETERBOROUGH TOWN LIBRARIAN'S REPORT, 1967

"To search out community needs . . ." is one part of the general objectives as written in the Library's statement of policy. A definite need was a film program and this is offered monthly to children and to adults as a regular service of the Town Library.

Impetus was given the program through the efforts of Mrs.

Dorothy Carpenter who established a fund for the purchase of a self-threading Bell-Howell 16mm. sound projector. Contributions, over a period of six months, from more than forty individuals and several organizations made possible the acquisition of the projector, a table and other accessories as well as a wall-hung reflector screen. The Library is greatly indebted to Mrs. Carpenter for her awareness of a need.

In August, a distinguished visitor from Copenhagen, Denmark, Mr. Eric Allerslev Jensen of the Department of State Inspection of Public Libraries honored Peterborough with a visit. Mr. Jensen, who is preparing a scholarly work on public libraries, was interested in examining all papers by the Reverend Abiel Abbot and other early materials which were made available to him.

The Library's growth and service is aided by the gifts it receives and there have been many this past year; among them a check from the Religious Education Committee of the Union Congregational Church for the purchase of children's books; fifty fine records were received from the Columbia Masterworks Record Company; the flower boxes at the front entrance were again planted by the Peterborough Garden Club; two young maples were set out on the Concord Street lawn by the Peterborough Conservation Commission; and many books have been presented by interested patrons.

With the assistance of Mrs. Cynthia Postal, State Library Consultant, improvements have been made in reshelving of mysteries, westerns and science fiction in the Stack Room and the re-filing of the adult card catalog into the one-unit dictionary arrangement.

The scope of the entire book collection widens constantly, but what is not available may always be obtained through the state inter-library loan.

A new double-faced bookcase has been set up in the Eben Jones wing; copper roofing has been laid on the portico roof, the portico painted and a new screen door added.

Overdue fines are now 5¢ a day and the policy that has been set up is: two weeks after due date a notice is sent out; four weeks after due date a bill for the overdue materials is sent. If such notices are disregarded, a copy of the New Hampshire Library Law, N. H. Revised Statutes, annotated 1955 as amended to date No. 572:42-a and 572:42-b, is sent and library privileges are suspended until overdue material is returned or replaced.

Three staff members, Mrs. Helen Richardson, Mrs. Frances Russ and Mrs. Gloria Murray have attended a course, "Introduction to the Public Library" given by the Extension Division at Keene State College. Many state and regional professional meetings have been attended, including those of the New Hampshire Library Association and the New England Library Association.

Ol' Peppersass climbing to the top of Mt. Washington was the theme of 1967's highly successful and fun-filled summer reading program which closed with a party sponsored by the Peterborough Woman's Club. Mrs. Mark Wheeler of the Club helped in Story-time which is held weekly from January through April and October through December.

Four groups of Junior High school students visited the Library during the early winter for a short talk on library procedures and services with a tour of the building. Eve Ekker and Scott O'Neil have worked as pages toward their Community Service Scouting Badges.

Library Board Meetings have been held regularly throughout the year with all trustees present. These meetings, open to anyone interested, are conducted on the second Thursday of each month at 7:30 P.M. (See letter of Trustees in Peterborough Transcript dated September 22, 1967) unless otherwise announced. Staff meetings are held bi-monthly.

The conscientious work of the Library Board along with the interest of the community and the loyal cooperation of the Library staff has made possible the achievements of the past year. The librarian is most grateful.

### Police Cruiser

The police cruiser traveled approximately 53,000 miles.

### Conclusion

I wish to take this opportunity to express my thanks to the Board of Selectmen, members of the Police Department, members of the State Police, Judge Kenneth A. Brighton, Clerk of Court, Stella L. Sumner, Highway Agent, Harry Reed, Florence Connell, Town Bookkeeper, Merchants and Citizens of Peterborough for the cooperation given me in the performance of my duty as Chief of Police during the past year.

Respectfully Submitted,

Arthur G. Jackson

Chief of Police

---

## REPORT OF THE FIRE DEPARTMENT

We wish to thank the citizens of Peterborough, the members of the fire department and other town officials for the cooperation during the year. During the past year the fire department answered 38 calls.

### Description of Fire Calls

Building	7
Grass and Brush	16
Auto	3
Mutual Aid Calls:	
Aided Other Departments	4
Received Assistance	3
False Alarms	1
Sprinkler Alarms	1
Miscellaneous	6

The fire loss for the year was approximately \$36,000.00.

In addition to fire fighting the members of the fire department have been active in training in the latest techniques of fire

fighting. The members also have been actively working with various groups on fire prevention.

During the coming year we hope to broaden our training and prevention programs.

Respectfully Submitted,

Merton S. Dyer, Chief

David W. Crooker, 1st Deputy Chief

Lawrence C. Bishop, 2nd Deputy Chief

### REPORT TO THE BOARD OF SELECTMEN TOWN OF PETERBOROUGH, N. H.

Duties accomplished by Forest Fire Warden Thomas J. Craig  
year of 1967, Town of Peterborough, N. H.

1. Inspected thirty-eight (38) incinerators.
2. Inspected one hundred and twenty (120) water holes during the month of May, 1967.
3. Inspected one hundred and twenty-one (121) water holes during the month of October, 1967.

(Above duties done at no expense to the town of Peterborough.)

Respectfully Submitted,

Thomas J. Craig

Forest Fire Warden

### REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the common-sense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 A.M. - 5:00 P.M. and then only with a permit from the Forest Fire Warden.

2. Take all debris and waste to the town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.
5. Exercise care with smoking material — use the ashtray.

#### Number of Fires and Acres Burned

State	408	520
District	113	97 $\frac{3}{4}$
Town	11	13 $\frac{1}{4}$

Winthrop F. Hannaford

District Chief

Thomas Craig

Warden

#### ADAMS PLAYGROUND COMMITTEE 1967 REPORT

In the opinion of your committee the year 1967 was the most significant in the long history of recreation in Peterborough. Our reasons for this opinion are two-fold: first of all, the summer program continued its high level of success with increased attendance and general improvements in the overall program; and secondly, the hiring of the town's first full time, year round recreation Superintendent. We feel the latter accomplishment will fulfill the long time need of increasing recreation services from just ten weeks in the summer to a full 52 week program.

With two full seasons completed under the new system of having both a playground and pool director it has become evident that the overall effectiveness of the entire summer program has been greatly increased. The participants in the playground program enjoyed a very rewarding season in activities such as tennis instruction, arts and crafts, baseball, softball, basketball, badminton, horseshoes, ping pong plus quiet and active games. In addition to participating in these daily activities several field trips were conducted for the tennis, baseball, and girls softball teams. This outside competition was enjoyed by all with spirit and enthusiasm and sportsmanship excellent on all the trips.

A clinic conducted by the New England Lawn Tennis Association highlighted the tennis program. Later several of the tennis participants attended an official amateur tennis match at the Long-

wood Tennis Club in Massachusetts. About 20 made the trip and an enjoyable time was had by all.

The swimming program enjoyed another highly successful season with over 300 children and adults participating in lessons, recreational swim periods and a swim team. The morning hours were devoted to childrens swim lessons with the afternoon sessions open for free swimming. Adult swimming lessons and family swim periods were conducted during the evening hours.

The swim team competed in several out of town meets highlighted by representing Peterborough in the New Hampshire Recreation and Park Society's state swim meet in Claremont.

On September 1 the town's first Superintendent of Recreation started in his new position by planning fall and winter activities. The halloween window painting contest and the establishment of the Community Center were two very successful ventures started. Other programs started or assisted with included a housewives bowling league, hunter safety course, formation of a teen advisory council, teen dances, assisting with the junior basketball program and the halloween evening activities and assisting with the annual Christmas carol sing.

We feel that with the arrival of our new Superintendent the total recreation program has definitely taken the first essential step towards the development of a wholesome and comprehensive year round recreation program that will meet the needs of all ages.

\$2,450 from the Arthur Noone fund was used to resurface two tennis courts and to paint the pool and bathhouse. Both of these projects were completed.

Also it must be noted that because of the lateness in hiring the new Superintendent only \$2,680.81 out of the \$10,000 Special Article was used for the winter program. The remaining \$7,319.19 was turned over to the Selectmen and placed in the general fund.

We would like to take this opportunity to thank the following people for their contributions to recreation during the past year: our capable staff, the Selectmen, the Police Department, the Fire Department, the School Department and the many volunteers who have put in many hours of their time in an effort to make Peterborough a better place to live recreationally.

Respectfully Submitted,

William Cuddihee, Chairman  
Donald Fritz  
Richard Barron  
Kenneth Reynolds  
Ruth Craig

Adams Playground Committee

## PLANNING BOARD REPORT

The Planning Board has met sixteen times since the 1967 Town Meeting. Four new sub-divisions in the Town have been approved: Donald Graves' land, off Old Street Road; Homer Paradise's land off Evans Road; Lloyd Reynolds' land, Hunt Road; and Mary Ellen Russell's land, Cornish Road. The Board has also examined the plans of Hampshire Highlands, Inc., for its development on Old Street Road.

The Board has co-operated with the Selectmen in requiring compliance with the land sub-division regulations in a development approved by the Board in 1966, also to restrain a builder from proceeding with a new development until it has been approved by the Board.

Several meetings were held with the principals in the Evans Flat dispute, and the Board has recommended to the School Board that the Evans Flat land be conveyed to the Town in trust until April 1, 1974, to be reserved for possible future use for school purposes.

The late Martin J. Keenan compiled extensive hand-written notes concerning street layouts and where such information can be found in the Town Reports. Mrs. Keenan has generously made this information available to the Planning Board, and an arrangement has been made with the Selectmen to have the Town's secretarial help type this material into permanent form.

The Town Government Modernization and Improvement Committee Report has been reviewed by the Board and discussed with the Selectmen. We find that most of its recommendations have been implemented, and we are analyzing the remaining suggestions to see how soon they can be put into effect.

The Planning Board and the Fire Department were instructed by the 1967 Town Meeting to investigate the need for a new fire station. The present first station was constructed in 1913 and has a frontage on Main Street of approximately fifty (50) feet and a depth of about seventy (70) feet. The exact dimensions are unknown. The Fire Department now has two new LaFrance trucks, plus the Forest Fire Power Wagon. It should also have a 3000-gallon tank truck for use in areas outside of the hydrant system. The present station has no room for expansion and has some structural defects, and there is no off-street parking for the firemen. Because our Fire Department is staffed completely by volunteers, a central location for the fire station is an absolute necessity. Many sites have been examined, and it is the unanimous opinion of the Planning Board and the three fire chiefs that the present town garage on Summer Street would make an excellent fire station. The N. H. Board of Fire Underwriters agrees with this conclusion.

Although some work would have to be done on the building, it is structurally sound and easily adaptable to a fire station. The Public Works Department has grown too large for the building and would like a new garage, preferably next to a re-located town dump. At a joint meeting of the Selectmen, the three fire chiefs and the Planning Board, the following recommendations were unanimously adopted:

(1) That the Fire Station be moved to the Town Garage as soon as feasible and not later than June 1, 1971;

(2) That a new Public Works building be constructed as soon as possible and preferably next to a new town dump; and

(3) That a sum of Fifteen Thousand Dollars (\$15,000) be set aside in a capital reserve fund to remodel the Town Garage for the Fire Department and construct a new Public Works building.

The Planning Board receives many inquiries as to the meaning and application of existing town ordinances. The Board feels very strongly that the Selectmen should appoint a Building Inspector, who can explain the town ordinances and go out into the town to insure that existing ordinances are not being violated and that proposed construction and/or sub-divisions comply with all town ordinances.

We have received many requests to reopen the issue of zoning. We have, therefore, inserted an article on the ballot to obtain the sentiment of the Town for a reconsideration of this controversial but important subject.

We are also proposing several ordinances for the Town's consideration, the enactment of which should solve certain troublesome problems that we have encountered in the community.

## REPORT OF THE PETERBOROUGH SEWER COMMITTEE

During the past year our engineers, Camp, Dresser and McKee have completed the final plans and specifications for Phase I of our Municipal Sewer System. These are now ready to be placed for bid, having been approved by the State of New Hampshire.

At the present time federal funds are being allocated to the states on a smaller basis than in previous years and until the Committee knows definitely that the federal funds will be committed for the Peterborough system we do not intend to bring the sewer system to a bond issue vote. We do, however, anticipate that the Town Meeting of 1969 will be called upon to vote construction of the sewer system.

The Committee this year will bring in two articles for approval by the Town. We will be asking the Town to vote additional money to acquire the Vose land and we will be asking for funds for the Committee to continue its work, which will consist of determining rates to be charged for the use of the sewer system once it is constructed.

Daniel F. Eneguess

Chairman

### PART I. ADMINISTRATION AND ORGANIZATION

#### A. OFFICERS OF THE SCHOOL DISTRICT

##### MODERATOR

Maurice M. Blodgett

##### CLERK

Helen A. Keenan

##### SCHOOL BOARD

Mark G. Wheeler, Chairman

Term expires 1968

Patricia Houston

Term expires 1969

Stanley W. Peters

Term expires 1968 (June 30)

##### TREASURER

Paul F. Crowell

##### AUDITORS

State Tax Commission

##### SUPERINTENDENT OF SCHOOLS

Raymond G. Edwards

##### ASSISTANT SUPERINTENDENT

Donald P. Carle

##### TRUANT OFFICER

Arthur Jackson

##### SCHOOL NURSE

Doris L. Wiklund, R. N.

##### SCHOOL PHYSICIAN

Peter F. Jeffries, M. D.

#### B. NO-SCHOOL SIGNAL

In case of emergency when it seems inadvisable to have schools in session on any day, the No-School Signal will be given by sounding the signal 22 on the fire alarm system at 7:15 A.M., and by having it announced over radio station WBZ, WKNE, and WKBK at the same time approximately. When the No-School Signal is given it means that there will be no school in all grades all day.

Parents and pupils are urged to depend upon the fire signal, T.V., or radio for no-school notices. The local telephone operators are no longer able to assist in giving no-school information.

## C. CALENDAR

1968

April	19	Schools close—Spring Vacation
April	29	Schools reopen
May	30	Schools closed—Memorial Day
June	14	Schools close (unless time lost)— Summer Vacation
Sept.	5	Schools open
Oct.	18	Schools closed—Teachers' Convention
Nov.	1	Schools closed—Teacher Workshop
Nov. 28 &	29	Schools closed—Thanksgiving Recess
Dec.	20	Schools close—Christmas Vacation

1969

Jan.	2	Schools reopen
Feb.	14	Schools close—Winter Vacation
Feb.	24	Schools reopen

## D. REPORT OF DISTRICT CLERK

Special Peterborough District Meeting held at the Peterborough Consolidated School on January 31, 1967 at 7:30 P.M.

The Moderator, Mr. Maurice M. Blodgett swore in temporary clerk Margaret H. Clement.

The meeting was called to order at 7:40 P.M. by the moderator who read the warrant.

Mr. Mark G. Wheeler handed the moderator a copy of the question contained in the warrant. The moderator announced that the question before the district is: "Shall the school district accept the provisions of RSA 195 as amended providing for the establishment of a cooperative school district, together with the school districts of Antrim, Bennington, Dublin, Fracestown, Greenfield, Hancock, Sharon and Temple in accordance with the proposed articles of agreement filed with the school district clerk; and thereby ratifying and confirming the authority of its planning committee in recommending and signing the articles of agreement.

Mr. Kenneth Whiton remarked that the voters were perhaps confused because of the absence of a motion in reply to which the moderator read a part of RSA 195:18 VI: "the question on the ballot to be used at the meeting should be in substantially the following form: "shall the school district accept the provisions of RSA 195:18 VI" and stated that the question submitted to the district for vote is precisely in the form prescribed by the statute.

Mr. Wheeler and Mr. Gordon Hale spoke on the proposed cooperative school district and answered questions from the floor concerning finances, tax rate, space accommodations etc.

At the conclusion of the discussion the moderator asked the

audience to rise for a moment of silence in memory of Mr. Martin J. Keenan.

There being no further discussion the moderator put the question to a vote.

Voting was by check list and ballot. Polls opened 8:15 P.M. and closed at 9:00 P.M. Ballots printed: 1940. Ballots cast 494. Ballots yes 430, ballots no 64. The article was declared by the moderator to be adopted.

Motion to adjourn made by Daniel Eneguess, seconded and adopted at 9:30 P.M.

Respectively submitted  
Margaret H. Clement,  
Clerk Pro Tem.

## RECORD OF PROCEEDINGS

At a meeting of the Inhabitants of the School District of Peterborough, New Hampshire qualified to vote in District affairs, holden at the Peterborough Consolidated School on Wednesday, the 8th day of March 1967, at 7:30 o'clock in the afternoon. The Moderator, Maurice M. Blodgett called the meeting to order, and proceeded with the business as follows:

Under the School Warrant —

Art. 1. Motion by Stanley Peters, Chairman of the School Board. Moved: That the salaries of District officers for the ensuing year be as follows—Each School Board Member \$50.00: Treasurer \$75.00: Clerk \$10.00: Moderator \$10.00. The motion passed.

Art. 2 Motion by Stanley Peters. Moved: That the reports be accepted as printed and placed on file with the Clerk. Motion passed.

Art. 3 Motion by Stanley Peters. Moved: That the District petition the State Tax Commission to have an audit made by the Division of Municipal Accounting. Motion Passed.

Art. 4 Motion by Stanley Peters. Moved: That the School District raise and appropriate \$645,935.74 for the support of the Schools for the payment of salaries for School District Officers and Agents, and for the payment of the Statutory obligations of the District. Mr. Peters discussed the various items in the budget, explaining each one, and the budget passed without any discussion.

Art. 5 Motion by Mrs. Houston, School Board Member. Moved: That the School Board be authorized to make application for and to accept on behalf of the District any or all grants or other funds for educational purposed which may now or hereafter be forthcoming from the United States Government,

or the State of New Hampshire. Motion passed without discussion.

Art. 6 Motion presented by Mrs. Houston passed without discussion. Moved: That the School Board be authorized to include a contingency fund item in the regular school district budget and raise and appropriate the sum of \$2,000.00 for this purpose.

Art. 7 Motion by Mrs. Houston passed without discussion. Moved: That the School Board be authorized to expend \$3,000.00 from unanticipated income from tuition received during 1966-67.

Art. 8 Motion by Mark Wheeler: Moved that the School Board be authorized to sell the Central School lot to St. Peter's Church for the sum of \$4,000.00 Motion passed without discussion.

Art. 9 Motion re: sale of Land of the School District by Mark Wheeler. Moved: That the School Board be and hereby are authorized to sell and convey that land on the Western side of Elm Street and the southern side of the Nubanusit River which the district acquired by deeds of Hazel N. Goyette, Edward P. Barry, and James Lester Low and Charlotte F. L. Low to the Peterborough Industrial Development Corporation for the sum of \$35,000.00. Mr. Wheeler explained that the Development to purchase the land for \$35,000.00 and the members of the Board were of the opinion that this was a fair price for the land, and the District would stand to get all the money back that has been expended for the purchase of this land. Opposition to selling the land was presented by the Budget Committee who favored a waiting period before selling to see if there were other buyers interested, or possibly the Town itself would find a use for the land. An amendment to the motion was presented as follows: Moved to amend the motion by striking out everything after the word "Charlotte F. L. Low" and inserting the following "That the School Board be authorized to enter a contract for the sale of the land on Evans Flat on or after May 15, 1967. After much discussion for and against a rising vote was taken and the amendment was passed, 46 in favor and 38 against. Messrs. Carr and Hale acted as tellers. The Peterborough Industrial Corporation withdrew its offer to buy the land.

There being no further business the meeting was adjourned.

At the election of the School District Officers held on March 14 the following officers were declared elected: Maurice M. Blodgett, Moderator 1028 votes, Helen A. Keenan, Clerk 1030 votes, Paul F. Crowell, Treasurer 995 votes and Stanley W. Peters, School Board member for three years 1010 votes.

Respectfully submitted

Helen Keenan, Clerk

TOWN OF PETERBOROUGH  
SCHOOL WARRANT

E. WARRANT

To the inhabitants of the school district in the town of Peterborough qualified to vote in district affairs:

You are hereby notified to meet at the Peterborough Consolidated School in said district on the 31 of January at 7:30 P.M. o'clock in the afternoon to act upon the following subject.

1. Shall the school district accept the provisions of RSA 195 (as amended) providing for the establishment of a cooperative school district, together with the school districts of Antrim, Bennington, Dublin, Francestown, Greenfield, Hancock, Sharon, and Temple in accordance with the provisions of the proposed articles of agreement filed with the school district clerk; and thereby ratifying and confirming the authority of its planning committee in recommending and signing the articles of agreement.

Given under our hands at said Peterborough on the 13 of January 1967.

Stanley W. Peters  
Mark G. Wheeler  
Patricia J. Houston

School Board

**THE STATE OF NEW HAMPSHIRE**

To the Inhabitants of the School District in the town of Peterborough qualified to vote in district affairs:

You are hereby notified to meet at the Peterborough Consolidated School in said district on the 20th day of March, 1968, at 7:30 o'clock in the afternoon to act upon the following subjects,

1. To determine and appoint the salaries of the School Board and fix the compensation of any other officers or agents of the district (March 12 - July 1, 1968), the cost of such salaries to be paid out of any balance of the appropriation for the fiscal year ending June 30, 1968.

2. To hear the reports of Agents, Auditors, Committees, of Officers chosen, and pass any vote relating thereto.

3. To see if the District will authorize the School Board to request the Municipal Accounting Division of the State Tax Commission to audit the accounts of the District as of June 30, 1968, the cost of said audit to be paid out of any balance of the appropriation for the fiscal year ending June 30, 1968.

4. To see if the district will authorize the School Board to expend any unanticipated income from tuition received during 1967-68.

5. To see whether the district will authorize the School Board to convey by deed to the Town of Peterborough as a gift that land on the western side of Elm Street and the southern side of the Nubanusit River which the district acquired by deeds of Hazel N. Goyette, Edward P. Barry, and James Lester Low and Charlotte F. L. Low, or take any other action relating thereto.

6. To see if the District will authorize the School Board to convey to St. Peter Church approximately 7,000 square feet of land at the northern side of Vine Street or take any other action related thereto.

7. To see if the District will vote to authorize the School Board to convey to the Contoocook Valley School District, by Quitclaim Deed, the present Peterborough Consolidated School, together with the contents thereof, and all land owned by the District.

8. To see if the District will vote to direct the Treasurer to pay over to the Treasurer of the Contoocook Valley School District any cash balance in his hands or money due the District as of June 1, 1968, less any outstanding

bill or debts; any sum so transferred to be used as a credit against the Contoocook Valley School District assessment to be raised by the pre-existing Peterborough District to defray its share of the cost of operation of the Contoocook Valley School District, during the first year of operation.

Given under our hands at said Peterborough this 5th day of March, 1968.

Mark G. Wheeler

Patricia Houston

Stanley Peters

School Board

**THE STATE OF NEW HAMPSHIRE**

To the Inhabitants of the School District in the town of Peterborough qualified to vote in district affairs:

You are hereby notified to meet at the Town House in said Town of Peterborough on Tuesday, the 12th day of March next at eight of the clock in the forenoon, (Polls close at 6:00 p.m., unless otherwise voted), to act upon the following subjects:

1. To elect a Moderator, Clerk, and a member of the School Board to serve until June 30, 1968, or as long thereafter as may be necessary to transact the business of the school district for the school year 1967-68.

Given under our hands at said Peterborough this 26th day of February, 1968.

Mark G. Wheeler

Patricia Houston

Stanley Peters

## B. SCHOOL PROGRAM

## ELEMENTARY AND JUNIOR HIGH

Many new faces have been added to the staff this year. They are: Mrs. Mary Graves, grade one; Mrs. Jane Stein, grade two; Mrs. Joyce Bryant and Mr. Roger Demers, Junior High English; Mr. Harold Chase, Junior High Social Studies; Mrs. Carol Petts, Junior High Math; Miss Patricia Hannaford, Guidance grades 1-6; Mr. Donald Murphy, Principal grades 1-8. One change of assignment was made, Mrs. Linda Oja moved from grade four to grade five.

Mrs. Kullgren, grade one teacher, attended the Gessell workshop during the winter which qualified her to administer the Ilg-Ames Developmental Examinations. Mrs. Kullgren gave each incoming first grade child this test. The test, interviews with the parents, and teacher observation allowed for a better placement of incoming students. This placement proved to be the first step toward the continuous progress program.

The continuous progress program has been under study by the teachers of this school for many years. The first grade teachers have been, since the start of the school year, studying the implementation of non-gradedness at Peterborough. The move to initiate non-gradedness will be made in the first grade this year. September, 1968, will see the full commitment to continuous progress learning in grades one, two, and three.

The continuous progress program is a system which allows for learning at a rate the individual child can handle. Confidence is built on success. Placement of a child at a level at which he or she can function properly is of paramount importance, since this can lead to success at an early age. The proper placement will not guarantee success, but it will allow for a better and more realistic opportunity to achieve it. The inability of a child to learn at a given rate is not an indication of failure, it merely expresses his need to work at his own rate. Overplacement of a child will often lead to failure, which can become a way of life for the child. Continuous progress programming is a system which allows for success for all children.

The teachers of Union No. 47 are at present involved in curriculum studies at all grade levels. Mrs. Verhey, Mrs. Kennett, and Mr. Demers represent P.C.S. on the English committee. Mrs. Graves, Miss Holbrook and Mrs. Burgess are our representatives on the Math Study committee. Since September an intra-school study of the reading program has been taking place. To date we have surveyed grades one to six, and are now in the process of studying the phonics system as it is related to reading in grades one to six.

The Public Service Company has donated a new electric range to the Special Class. Mrs. Quimby and the children of the class are now applying themselves to a limited vocationally

oriented program. Other appliances are forthcoming from local merchants.

The elementary band is at present working on music for a spring concert. Mr. Ellis is continuing with individual and section instruction. Miss Gentes, elementary vocal teacher, is laying a foundation of musical knowledge and history. Students are very happy with her method and program.

Members of the staff have been hard at work on college courses with twelve of the twenty-seven elementary and junior high teachers participating. Their studies include Psychology, Science, Sociology, English, Art, Linguistics and Counseling.

Spring semester will find many of the teachers of this school and this Union involved in a course in elementary science at the Consolidated school. The school has been selected as a regional center for a University of New Hampshire Television Extension course. This allows teachers from this area to gain university credit at either the graduate or undergraduate level.

In the coming year, space will be at a premium. The junior high will have five sections in each of the grades. This will, however, allow for a better and more refined grouping procedure. The addition of two more groups will cut the ratio of pupils to a more realistic level. The administration and the junior high teachers have been in a continuing dialogue on room and teacher utilization. The staff is concerned with the best possible educational climate for our junior high students.

## HIGH SCHOOL

### TRENDS AT P.C.S.

The rotating schedule adopted in 1966 continues to function adequately. However, several areas are in need of a parallel or modular schedule. Most teachers agree that the rotation of classes within the week is useful. Shop classes and physical education classes find the hour long periods especially useful. Nevertheless, science classes, especially in the labs, as well as the Music Department, are injured "time-wise" with the rotating schedule.

Overcrowding in several rooms, maximum utilization of all available space, and joint use of plant facilities by elementary, junior high, and senior high school youngsters create a myriad of problems. The fact that the school operates smoothly and efficiently is a credit to the cooperation of the entire staff at Peterborough Consolidated School. The custodians meet every demand with cheerful zeal. The cafeteria help copes with unexpected problems without once complaining. The faculty of all three areas jointly solve conflict problems through a spirit of necessity and cooperation. It has been difficult, and will be more difficult next year. Nevertheless, we will continue to educate the children of this area on the same level of

quality and depth as has been the practice in years gone by in Peterborough.

Mr. Howard, the Curriculum Coordinator, has been of boundless value to the administration, teachers, and staff. Throughout the summer, Mr. Howard developed a booklet of teachers' needs for the new school. His report on teacher and pupil needs may be found in this report.

The faculty at P.C.S. is outstanding. What is even more encouraging is the quality of youngsters at P.C.S. We have most assuredly been blessed with some very fine children. Their curiosity is boundless, their imagination provocative, and their goals are high.

### SELF-CONTAINED SENIOR HIGH SCHOOL

The self-contained classes on the high school level continue to increase. In next year's budget we have asked for a full-time teacher to relieve Mr. Faunce of some of the pressure on him. Even with the addition of a teacher in this area it will be necessary to involve some of these students in other class areas.

### THE SHOP PROGRAM

Electricity has been added to the jr. high program. This course is given 1 hour a week for eighteen weeks. During the other 1 hour regularly scheduled shop class the students receive woodworking instruction. The program involves the 7th grade for the 1st semester, the 8th grade during the 2nd semester.

With the acquisition of our new heliac welder we are able to introduce the students to the process of welding the newest metal alloys, such as aluminum, stainless steel, nickel, etc. We are one of the few schools in the area involving students in this process.

The power mechanics program has been adjusted to a classroom-laboratory situation with chalk-board diagrams, model parts and demonstrations. A limited number of automobiles are used for demonstration purposes.

These programs will continue to grow so that they may expand into the vocational programs which are being developed for the Co-operative School.

### THE ENGLISH DEPARTMENT

The English Department at Peterborough High School has, as have all departments, felt the pressures of an overcrowded building, and of the current teacher shortage. This year the English Department has lost valuable, experienced teachers and it has been impossible to replace them with experienced teachers. We were indeed fortunate to find experienced teachers for the junior high school.

During this period of transition from Peterborough High School to the new Con-Val system, the English Dept. has been

asked to revise and re-evaluate the curriculum. Curriculum revision is very time-consuming. So is the joint planning and development of new teaching techniques, especially at this time when the content of English courses throughout the English-speaking world is also in transition. For example, a choice must soon be made regarding a possible change from standard grammar to transitional or structural grammar. These changes can not be made without adequate research. There are critical questions which must be carefully considered: What kind of literature should be taught and for what purpose? Should the primary aim be proficiency in reading, a basic skill all students should have, or the enjoyment of good literature, which too many lack in an age of television? Or should knowledge of our literary heritage, be paramount as some colleges believe? Should the curriculum be centered on language? Or if one desires to emphasize "the skills of communication," the fashionable phrase today, what about subject matter or intellectual content? What should be the proper place for training in rhetoric, logical thinking, and critical analysis? In composition, should priority be given to expository, functional writing, or to personal, imaginative writing? There is no time during the school day to consider these and many other critical questions. Future plans should include provision for Curriculum Revision during the summer months.

We are presently in need of additional English teachers. English teachers have been assigned five classes rather than four classes of not more than twenty-five students each. We realize that many of the present problems are of a temporary nature, but we must also be concerned for the boys and girls who are being educated during this transition period. From an over-all point of view, however, the department is functioning well.

### LIBRARY

The high school library has increased to approximately 6300 volumes. The high school library budget fund, the Federal ESEA Title II grant, and local gifts have helped make the present book collection so satisfactory. Having the Peterborough Public Library co-operate closely with the high school library helps immensely.

Fifty periodicals and five newspapers are currently available for students. Many back issues of magazines are kept for reference. Lack of space for books and materials continues to hamper the efficiency of the library. The use of the library as a study hall is not an ideal situation, but with the co-operation of students and faculty the usefulness of the library continues to grow.

### BUSINESS EDUCATION

The business department seems to be running quite smoothly this year despite the crowded conditions in the school. Our

Business Education program serves a two-fold role—general education and vocational training with emphasis on the latter.

The vocational training consists of bookkeeping, advanced typewriting, stenography and office practice. The general education training consists of beginning typewriting, general business, and business law.

We attempt to equip the students with business skills and techniques, business understandings, economic understanding, business attitudes, and business appreciations that are necessary to be competent employees.

The typewriting room tends to be the most heavily populated room, as usual, with about 80 students learning to type this year. We encourage all students to learn this skill; however, many are not able to squeeze it into their program because of scheduling and other conflicts.

### THE SOCIAL STUDIES DEPARTMENT

The Social Studies curriculum at present is offering courses in World History I, World History II, United States History, Sociology and World Affairs. We have found it necessary to eliminate such elective courses as American, Government, Economics and Problems of Democracy, not because we feel that these courses are not beneficial, but because of the lack of teachers and teaching stations now available in Peterborough High School. It is anticipated that a new school will make it possible to broaden the present course offerings and enrich the social studies program.

In addition to the teaching of important geographical, political, economic and cultural concepts the social studies dept. supervises annually student participation in a Model Congress held at American International College in Springfield, Mass. A Model United Nations held at Plymouth State College, Plymouth, N. H., the Bass Essay Contest on Current Affairs, and field trips to various governmental institutions. Whenever possible, we try to bring in speakers and experts who can give students first-hand knowledge of contemporary affairs and topics under study. Present plans are to improve and acquire a greater amount of audio and visual teaching materials that have become so plentiful in recent years.

### READING DEPARTMENT

Every teacher in the elementary school is a teacher of reading. Our school is fortunate in having teachers who care about each individual child. Each child is helped at his reading level and encouraged to achieve. It is felt that it is the responsibility of the reading teacher to work closely with each teacher locating materials, evaluating, and giving individual and group instruction, so every child can have the opportunity to succeed.

The reading teacher is only able to act in an advisory capacity to the junior and senior high school teachers. It is hoped that in the future there will be two reading teachers available to work with the older children.

### SUMMER MUSIC PROGRAM

I'm pleased to report that the new six-week summer music program was very successful. Over forty children from grades four through twelve participated in the program which offered classes in woodwind, brass, and percussion instruments as well as in music appreciation and guitar. We also had band rehearsals one evening a week during the summer months.

### JUNIOR HIGH GENERAL MUSIC

Children in the seventh and eighth grades have shown a great deal more interest in our general music program this year and the enrollment for each of the four classes has more than tripled.

### JUNIOR AND SENIOR HIGH CHORUS

Both the jr. high chorus, with more than sixty members, and the sr. high chorus, with over ninety members, performed at assemblies and in the winter and spring concerts this year. Once again we are proud to announce that Bonnie MacMulkin has been invited to perform with the New Hampshire All-State Chorus.

### ELEMENTARY INSTRUMENTAL PROGRAM

Fifty-six members of the fourth and fifth grades are enrolled in our beginning class instrument program. Forty-one advanced students from the fifth and sixth grades are furthering their instrumental training by participating in the elementary band. A number of our elementary children are enrolled in the class piano program.

### JUNIOR HIGH BAND

The jr. high band serves as the third step in our instrumental training program. It is at this point that the young musician begins to learn the art of interpretation of good band music. These students performed in both the winter and spring concerts and for the Peterborough P.T.A.

### SENIOR HIGH BAND

The "Highlander" band is fast becoming one of the finest performing groups in the area. These young people are showing their dedication and enthusiasm for band by spending extra time practicing their music during study periods, after school, and at home. The band has performed in almost all of the assemblies, the Halloween and Memorial Day parades, and the

winter and spring concerts. Seven members of the band have formed a brass choir and have performed in Christmas assemblies and for various functions sponsored by local organizations in Peterborough.

## CURRICULUM COORDINATOR

The essential function of the Curriculum Coordinator is to promote a continuous educational program that is consistent with the individual needs of the student according to his ability and the educational objectives that he has set up for himself.

In this respect, the role of the Curriculum Coordinator in this period of transition at P.C.S. is a most varied one. Not only is it his responsibility to offer leadership and guidance within the framework of the present curriculum, but, also at the same time, to direct the energies of the staff toward realizing the educational opportunities that await us when "Con Val" becomes a reality.

Under the present crowded conditions at P.C.S. the coordinator finds himself engaged in a variety of duties, all of which are directly related to the efficient operation of the total program. Currently, the coordinator prepares the budget for presentation to the superintendent of schools, participates in the scheduling and assignment of students to their respective classes, attending departmental meetings, conducting both teacher and student conferences, making classroom observations and preparing reports of such observations, providing resource and examination texts for the various departments contemplating the adoption of new textbooks and teaching materials.

During the past summer, the coordinator was engaged in setting up for the faculty a series of exploratory meetings with the superintendent, the educational consultant and the architects at which time the educational specifications for "Con Val" were examined in detail.

I feel that special recognition should be afforded the faculty members of both Antrim High School and P.C.S. who volunteered their time and services and who contributed so much to clarifying the collective thinking of all of us during the initial stages of planning for the future of "Con Val."

As one of the directors of Monadnock Community College, the coordinator assisted in setting up graduate credit course designed specifically to enable the staff to select courses of a professional quality by which they were able to meet state and local certification requirements and, at the same time, add to their professional knowledge in their chosen fields.

The unlimited possibilities that await us as we plan together for the future continues to encourage all of us even as we realize the vast amount of work that needs to be done within the coming months.

Donald E. Murphy, Principal Grades 1-8  
H. William Snell, Principal Grades 9-12  
Neil R. Howard, Curriculum Coordinator  
Raymond G. Edwards, Supt. of Schools  
Donald P. Carle, Assist. Supt. of Schools

PART III. SCHOOL PLANT

A. Repairs

During the summer of 1967 an additional classroom was constructed in the shop area to provide for the increased enrollment. Both teachers' rooms were painted, including toilet rooms. The main office was painted. The corridor between the shop and cafeteria was also painted. A total of six classrooms were redecorated during the summer months. The usual additional repairs that might be expected were also taken care of during this period.

B. Insurance

Fire and Extended Coverage on Peterborough Consolidated School and Contents (\$680,000.00).

Boiler Insurance, Property & Liability on Peterborough Consolidated School.

Owners' and Tenants' Liability, including teachers.

Workmen's Compensation & Employers' Liability.

Driver Training Car.

## PART IV. FINANCE

F. STATE AUDITOR'S REPORT

Report of an examination and audit of the accounts of the  
PETERBOROUGH SCHOOL DISTRICT  
for the fiscal year ended June 30, 1967 made by  
THE DIVISION OF MUNICIPAL ACCOUNTING  
STATE TAX COMMISSION  
August 22-24, 1967  
Concord, New Hampshire

SUMMARY OF FINDINGS AND RECOMMENDATIONS

September 27, 1967

The School Board  
Peterborough School District  
Peterborough, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Peterbroough School District for the fiscal year ended June 30, 1967, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board and the School District Treasurer.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A)

Comparative Balance Sheets as of June 30, 1966 and June 30, 1967, are presented in Exhibit A. As indicated therein, the Net Debt decreased by \$48,372.35 during the fiscal year ended June 30, 1967.

Analysis of Change in Financial Condition: (Exhibit B)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit B, with the factors which caused the change indicated therein.

Comparative Statements of Appropriations and Expenditures

Estimated and Actual Revenues: (Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1967, are presented in Exhibits C and D. As indicated by the Budget Summary (Exhibit D), a revenue surplus of \$12,516.09, plus a net unexpended balance of appropriations of \$3,315.63, resulted in a net budget surplus of \$15,831.72.

## Summary Statement of Receipts and Expenditures:

(Exhibit E-1)

A Summary statement of receipts and expenditures for the fiscal year ended June 30, 1967, made up in accordance with the uniform classification of accounts, is included in Exhibit E-1. Proof of the Treasurer's balance as of June 30, 1967, is indicated in Exhibit E-2.

## Statement of School Lunch Account: (Exhibit F)

A statement of the School Lunch Account for the fiscal year is included in Exhibit F.

## Student Activities Fund: (Exhibit G)

Exhibit G presents a statement of the Student Activities Fund.

## Statement of School Tax Account: (Exhibit H)

A statement of the School Tax Account with the Town of Peterborough is presented in Exhibit H. As indicated therein, as of June 30, 1967, the School District had received from the Town the total amount of the 1966-67 School Tax of \$432,599.31

## Statement of Long Term Indebtedness: (Exhibit I)

A statement of the outstanding long term indebtedness of the School District as of June 30, 1967, showing annual debt service requirements, is contained in Exhibit I.

## GENERAL COMMENTS

## Current Surplus:

The current surplus (excess of total assets over current liabilities) increased from \$1,905.68 to \$15,278.03 during the fiscal year ended June 30, 1967, as shown herewith:

	June 30, 1966	June 30, 1967
Total Assets	\$12,563 10	\$20,125 91
Current Liabilities	10,657 42	4,847 88
Current Surplus	\$1,905 68	\$15,278 03

## Conclusion:

The provisions of Chapter 184, of the Laws of 1955, require that this report or the summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District.

We extend our thanks to the officials of the Peterborough School District for their assistance during the course of the audit.

Yours very truly,

Harold G. Fowler, Director  
Division of Municipal Accounting  
State Tax Commission

Edgar O. Pesquera, Auditor

Stephen D. Plodzik, Accountant

DIVISION OF MUNICIPAL ACCOUNTING  
STATE TAX COMMISSION

Concord, New Hampshire

September 27, 1967

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Peterborough School District for the fiscal year ended June 30, 1967. In our opinion, the Exhibits presented herewith reflect the true financial condition of the School District on June 30, 1967, and the results of operations for the fiscal year ended on that date.

Respectfully submitted,  
Harold G. Fowler, Director  
Division of Municipal Accounting  
State Tax Commission

Edgar O. Pesquera, Auditor  
Stephen D. Plodzik, Accountant

## PART VI. AUXILIARY ACTIVITIES AND SPECIAL REPORTS

### A. HEALTH

Peterborough School Health Services have operated without any major policy changes during the 1966-67 school year. Objectives have remained the same, with administration, teachers and special services personnel cooperating with parents and community agencies to educate children who will, upon reaching young adulthood, care for their own health needs in an intelligent manner.

Dr. Mahlon Mason, our school physician for a number of years resigned, and has been replaced by Dr. Peter Jeffries, who examined 560 children during the year. 48 others were examined by their own physicians with reports sent to the school.

The Lion's Club has continued to supply funds for necessary eye care for children of medically indigent families, and the N.H. Crippled Children's Services have aided in caring for other health problems.

Because the N.H. Division of Dental Health doubled the amount available for matching funds for the dental clinic; and because of generous support from the Parent Teachers Asso. and community groups, we were able to care for twice as many children's dental needs than in former years. With the help of the State Dental group and the four Peterborough dentists, a dental survey of the children in the first eight grades is planned for next year.

A change in the vitamin program is planned. Next September children whose parents sign permission slips will be given chewable tablets containing fluoride in addition to the usual vitamins. As dental decay continues to be highest on the list of health problems, it is hoped that this will help to decrease the incidence.

Visits were made to the families with children eligible for Head Start. Five children of the 1967 first grade attended. This experience is valuable not only from an education point of view, but is also a health aide. The children received a thorough physical examination, dental care, and immunizations were brought up to date.

The Hilander Health Careers Club was organized this year, with nine members and the school nurse as advisor. Requirements and satisfactions of the various health careers were explored and several members visited schools of nursing on Open House Days. Also, the girls sponsored Christmas for a family

of six, providing clothing, toys, and tree complete with trimmings.

Next year, at the request of a group of girls, the A.L.W. (Asso. for losing weight) will be reactivated. Group therapy is often helpful with this most difficult problem of overweight.

For the first time there were no new positive reactors to the tuberculin tests given grades 1-4-8-12. Cost is making it prohibitive for the N.H. Tuberculosis and Health Association to carry on as extensive a tuberculin program as in the past. Next year they will sponsor testing in the first grade only, and will follow-up all families of positive reactors.

In June, after school closed, the Lion's Club, in cooperation with the State Department of Health, the Peterborough Parent-Assoc., the Peterborough Visiting Nurse Asso. and the school nurses in all Con-Val towns, sponsored a vision screening program for pre-school children. Dr. Freese and Dr. Alger conducted training sessions for the thirty or so nurses who volunteered their time. The main objective was to discover any children with amblyopia. This is a condition whereby children use only one eye, but who, if treated in the first five years of life may have normal vision in each eye. It is expected that this program will be repeated in two years.

May I take this opportunity to thank the many people who have helped to make the School Health Services a positive factor in the community.

## STATISTICS

Pupils examined:			Seen by Family

## PETERBOROUGH HYMN

A. D. 1620

God our Father!

Glory Lord, to Thee!

Before whose voice

Is mute the thund'ring sea!

Through wind and foam

Thou lead'st us home—

To Thee be glory through eternity.

Lord, hunger and cold are nigh!

Lord, not for ourselves we cry—

Let not our children die!

Silence your loud alarms

God is our Shield from harms—

He will make strong our arms.

Christ, who hath calmed the wave,

Christ will uphold the brave.

Christ, our Saviour!

Father of our Faith!

To Thee we bring faint hearts and failing breath,

Be Thou our Guide!

With Thee we bide,

To love, to labor, and to hope till death!

Accepted as a gift from Mrs. Edward MacDowell at the Town  
Meeting of 1928

Music: "A. D. 1620" from *Sea Pieces* by MacDowell, 1898

Words: Written for the Peterborough Pageant of 1910 by  
Hermann Hagedorn
